2014 Summer Digital Media Workshop

Over the course of July 2014, Global Ambassadors is running a digital media workshop for middle and high school students at the White Plains Public Library! Ambassadors Raina Kadavil and Nicholas Chiappari will be familiarizing the students with the React News process, including everything from how to use the TriCaster, teleprompter, lights and cameras, how to compose a story, write a script, set up and conduct interviews and put completed episodes together. Each 2-week session will produce four or five React News episodes telling unique stories, both local and global, chosen and composed by the students themselves! Check them out below!

Episodes

Session I

[Farmers Market](#)
[New NY Bridge](#)
[The Forbidden City](#)
[World Cup](#)

Session II

[Cyber-Bullying](#)
[The Water Challenge](#)
[Service Dogs](#)
[CharityMiles](#)
[TV Camp Summary](#)

Our Process

Chroma-Key Compositing

"Green Screen Video Making"

Thu, April 24, 3:30pm – 4:30pm

Ever wonder how they created special effects in *The Matrix*? Many of today's special effects are created through what's known as chroma key compositing, aka using a "green screen." Come see for yourself and make a video of your very own.

For Teens. No registration required

All programs and events in the Edge were made possible by generous grants and contributions from the Shinnyo-En Foundation, Allstate Foundation, Walmart Foundation and the White Plains Library Foundation
