## JULY 2017 Featured Read:

### **SAINT DEATH by Marcus Sedgwick**

A propulsive, compelling, and unsparing novel set in the grimly violent world of the human and drug trade on the US-Mexican border.

On the outskirts of Juarez, Arturo scrapes together a living working odd jobs and staying out of sight. But his friend Faustino is in trouble: he's stolen money from the *narcos* to smuggle his girlfriend and her baby into the US, and needs Arturo's help to get it back. To help his friend, Arturo must face the remorseless world of drug and human traffickers that surrounds him, and contend with a murky past.

Hovering over his story is the unsparing divinity *Santa Muerte*, Saint Death—and the relentless economic and social inequalities that haunt the border between Mexico and its rich northern neighbor. Crafted with poetry and cinematic pace and narrated with cold fury, *Saint Death* is a provocative tour de force from three-time Printz Award honoree Marcus Sedgwick.

We will also talk about YA literature (what YA books you are reading other than the group read), pop culture, movies, music, video games, apps, teen reading/publishing trends and any other YA related topics you would like to bring up!
