APRIL 2017 Featured Reads (Read one or both!):

THE HAZEL WOOD by Melissa Albert & PEOPLE LIKE US by Dana Mele

"Seventeen-year-old Alice and her mother have spent most of Alice's life on the road, always a step ahead of the uncanny bad luck biting at their heels. But when Alice's grandmother, reclusive author of a cult-classic book of pitch-dark fairy tales, dies alone on her estate, the Hazel Wood, Alice learns how bad her luck can really get: Her mother is stolen away - by a figure who claims to come from the Hinterland, the cruel supernatural world where her grandmother's stories are set. Alice's only lead is the message her mother left behind: "Stay away from the Hazel Wood." "

"Kay Donovan may have skeletons in her closet, but the past is past, and she's reinvented herself entirely. Now she's a star soccer player whose group of gorgeous friends run their private school with effortless popularity and acerbic wit. But when a girl's body is found in the lake, Kay's carefully constructed life begins to topple."

We will also talk about YA literature (what YA books you are reading other than the group read), pop culture, movies, music, video games, apps, teen reading/publishing trends and any other YA related topics you would like to bring up!
